**W**ELCOME to 2021—and, with a different nuance, you are welcome to 2020 as well. Now that we are settled into our third — or is it fourth? — period of ‘Saving The NHS’ from the totally unexpected arrival of the unprecedented phenomenon known as Winter, you might wish to be cheered up by a reminder of our events calendar for the first half of the year:

6 January	Zilch
3 February	B*gg*r All
3 March	By popular request, a repeat performance of B*gg*r All
7 April	Not a lot, really
5 May*	<b>Veranda opening, Annual General Meeting and BBQ</b>
2 June	BBQ
21 June	<b>Fathers' Day</b>

\*Or a day or so later to avoid bad weather. TBA.

The last date is merely a reminder to buy a present for your father. As yet, it is undecided whether or not there will be a fly-in at Priory Farm on that day. We can but hope.

Our PFA constitution allows the AGM to be delayed until May. Should one not be held by the end of that month, the initiative for calling a meeting passes to the membership—but, obviously, we hope such emergency powers do not have to be invoked.

There was no Committee meeting in December and none is scheduled for the immediate future. However, the Chairman (contact details above) is available to members with any specific concerns which can't wait for better times.

**Until further notice, the airstrip is closed, due to waterlogging.**

### MEMBERSHIP FEES (£40)

*are now due*, and can be paid by BACS:

**Priory Farm Aviators**

**Sort Code: 20-62-53**

**Account No: 33333094**

**BACS is the preferred method, but if that is not possible, you can still pay in cash or (as a last resort) by cheque made out to "Priory Farm Aviators" and handed to Bob Sage or posted to Priory Farm, Pristow Green Lane, Tibenham, Norfolk, NR16 1NY**

### Gen. Charles E 'Chuck' Yeager

13 February 1923 — 7 December 2020  
First through Mach 1 (14 Oct 1947; Bell X-1)

**If you can walk away from a landing, it's a good landing. If you use the airplane the next day, it's an outstanding landing.**

— Chuck Yeager

The annual survey of resident aircraft shows fewer comings and goings than in some years, but all have been mentioned in the “Hangar Door” feature of past *Waypoints*.
