

# PFA Membership Application

I apply for membership of Priory Farm Aviators (PFA) and undertake to abide by the rules of the PFA Constitution, which I have read and understand.

I understand that PFA activities are restricted to provision of rest and recreation facilities and to supplying limited and incomplete assistance in flight planning and air navigation.

I absolve the PFA and its officers from liability in respect of my exceeding the privileges of any licence I may hold or my neglect in adherence to standard aerodrome and aeronautical operating and safety procedure, this including activities undertaken by mutual agreement in conjunction with other individuals, whether or not PFA members. I agree to receive an aerodrome safety brief on joining the PFA and at any other time it may be deemed to require repetition.
